DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

Commissioner for Patents

Attached is a copy of Applicant's IDS submitted on July 30, 2001.

The Examiner had previously considered the cited Derwent Abstract of German Patent 23 35 514, Abstract No. 1975-11136W[07]. The Examiner, however, inadvertently failed to initial the document on the IDS. The IDS is now being re-submitted to Applicant, with the document being initialed.
